GUL ESCHICHE' - LITTLE PONIES

**ECLC EVENTS AND CLOSURES-
OCTOBER 23RD- ECLC CLOSED FOR WATER POTA-
TOE DAY**

**BIRTHDAYS-
OCTOBER 17TH- CECILE HENDRICKX**

October is a fun and exciting month for our children. We get to dress up in costumes then go trick-or-treating. How fun is that? But we all need to be careful when we go out there and get our treats. Here are some things that could help you be safe on this fun and exciting night.

1. Always go with a group of people.
2. Take flash lights so you can see in the dark.
3. Don't go to any houses unless your parents are with you.
4. Don't run in to the street wait until your parents are able to walk with you across the street.
5. When you get your candy DON'T EAT IT. Wait until your parents have checked the candy to make sure that it is safe for you to eat.
6. And last but not least. Have a happy Halloween.....
