Welcome 2009-2010 Hnt'lane' Class!

We are so excited to have our returning and new students for the new school year. It's going to be an exciting school year, full of events and learning activities. For the month of September, we would like to start off with easing the children into a routine and incorporate activities that make the transition into the classroom as easy as possible. Our primary emphasis for the school year is safety and for them to receive the best well rounded education possible. We look forward to spending time with the children and their families.

Thank You
