Dear Parents/Guardians,

The Coeur d'Alene Tribe's Department of Education would like to offer your child the opportunity to participate in these programs throughout their educational career while they are enrolled in the Plummer-Worley School District:

1. Johnson O'Malley (JOM) program. The primary goal of JOM is to help ensure that students, grades 7-8 are prepared for transition to high school and 9-12 continue to pursue their high school graduation.
2. Imagine The Future Program (IFP). The primary goal of IFP is to help ensure that students, grades 9-12, are prepared to enter into post-secondary institutions and/or the workforce.
3. Native American Career and Technical Education Program (NACTEP). The primary goal of NACTEP is to support students in grades 9-12 in Career planning and Professional Technical Programs, and to prepare students for life after high school.

Participants have the opportunity to receive academic/career counseling, one-on-one academic assistance, and participate in college and career readiness events throughout the year.

In order for your child to receive these services, the Coeur d'Alene Tribe's Department of Education request permission to transport your son/daughter to and from academic/career events and document student participation via photographs and video. Photographs and videos taken may be used to help promote the educational programs of the Coeur d'Alene Tribal Education Department.

By completing and returning this document, you are authorizing the Coeur d'Alene Tribe's Department of Education to access Lakeside School reports or records of your son/daughter in order to help to establish a plan for academic success or to establish a career plan. If you have any questions regarding these programs, please feel free to contact Helen Muffly, JOM Manager, at (208) 686-6108 or Bryan Samuels, IFP Coordinator, at (208) 686-0803 or Shawna Daniels, NACTEP Manager at (208)686-0604.
