

Strengthening the Spirit Registration 2013-2014

In order to ensure that we have the most current information from the teachers, we request that you allow us access to your PASS account that is set up by Lakeside High School, or the SASIS system set up at the Tribal School. With this, we can track what assignments students are missing and provide parents with the most accurate information available.

By checking the box to the left, you will be allowing the Coeur d'Alene Tribe's Department of Education to obtain the username and password for the online PASS system at Lakeside High School or the NASIS System at the Tribal School.

By signing this document, you are authorizing us to access the list of items above to aid in your student's academic success. If you have any questions or concerns, please contact Barrie Florko at (509) 686-0766 or our Director of Education, Dr. Chris Meyer at (208) 686-5013.
