Instructions for Submission of Marine Event Permit

1. This application must be submitted to the Tribal Police at least 30 days prior to the event.
2. Attach a section of a chart or scale drawing showing boundaries and/or courses and markers contemplated.
3. Submit a copy of the entry requirements and any special rules pertaining to equipment, rigs or procedures.
4. Attach a race schedule (if applicable) if more than one race is included in this application.
5. The sponsoring organization will coordinate all detailed arrangements with the Tribal Police Department.
6. The application covers the marine event only. The individual or sponsoring organization must receive written permission from the Tribal agency in direct charge of the area to conduct any special activities associated with this marine event (i.e., concessions, special overnight arrangements, etc).
7. Approval of this application will authorize the individual or sponsoring organization to conduct the marine event at the aforementioned area only. It does not give the individual or organization any exclusive rights over the general public of the area.
8. All activities by the individual or sponsoring organization under the approved application shall be conducted at the individual or organization's own risk. The sponsoring organization or individual will accept full responsibility to ensure public safety, and to place and remove any special equipment incident to the marine event. The individual or organization will assume, and at all times indemnify, and save harmless, the area and its employees, from any liability and expense in connection with loss of life, personal injury, or property damage arising from the marine event.
9. Environmental assessment may be required for events which are likely to involve: (1) significant cumulative impacts on the environment; (2) substantial controversy because of the effects on the human environment; (3) any activity proposed in a designated or recommended "critical" habitat of an endangered species; or (4) impacts which are more than minimal on or adjacent to a wildlife or waterfowl refuge or historic/cultural site. It is the responsibility of the applicant to notify the Tribal Police department of possible environmental impacts described above.
10. The Chief of Police reserves the right to withhold issuance of this permit or tailor the request to assure compliance with Tribal and federal law or to protect the health and general well-being of the citizens of the Reservation. Failure to comply with terms of this application or the Tribal Code will be cause for revocation of this permit
